Important

Home Automation:

Keus will handle the integration of the fan and addition into the Keus automation system only once Anemos has completed the installation and confirmed its full operation.

Sale and Installation:

Installation, Warranty and Support for the fan will be handled as per the Standard Anemos Processes.

To schedule an installation:

Please contact Anemos dealer directly or contact Anemos on the following:-

 +91 91360 84600

 +91 91360 84600

 infomumbai@anemos.in

Please be aware

Anemos installation services are chargeable. All coordination and payment for these services should be managed by you, directly with Anemos or their authorized partners according to their guidelines.

KEUS®

smart is the new home®

The background of the entire page is a dark gray with a pattern of concentric, slightly irregular circles that create a ripple effect. The circles are lighter in the center and fade into the dark background towards the edges.
