CADILLAC MINI HUGGER

Important

Home Automation:

Keus will handle the integration of the fan and addition into the Keus automation system only once Luft has completed the installation and confirmed its full operation.

Sale and Installation:

Installation, Warranty and Support for the fan will be handled as per the Standard Luft Processes.

To schedule an installation:

Please contact Luft dealer directly or contact Luft on the following:-

 +91 90320 25005

 +91 90320 25005

 prakashlight@gmail.com

Please be aware

Luft installation services are chargeable. All coordination and payment for these services should be managed by you, directly with Luft or their authorized partners according to their guidelines.

keUS[®]

smart is the new home

The background of the entire page is a dark gray with a pattern of concentric, slightly irregular circles that create a ripple effect. The circles are centered around the middle of the page and vary in size, creating a sense of depth and movement.
