Important

Home Automation:

Keus will handle the integration of the fan and addition into the Keus automation system only once smallFAN Company has completed the installation and confirmed its full operation.

Sale and Installation:

Installation, Warranty and Support for the fan will be handled as per the Standard smallFAN Company Processes.

To schedule an installation:

Please contact small FAN Company directly on the following:-

 +91 9000071238

 hello@smallfancompany.com

Please be aware

smallFAN Company installation services are chargeable. All coordination and payment for these services should be managed by you, directly with smallFAN Company or their authorized partners according to their guidelines.
