Important

Home Automation:

Keus will handle the integration of the fan and addition into the Keus automation system only once The Fan Studio has completed the installation and confirmed its full operation.

Sale and Installation:

Installation, Warranty and Support for the fan will be handled as per the Standard Fan Studio Processes.

To schedule an installation:

Please contact Volaris dealer directly or contact The Fan Studio on the following:

+91 9849097879

+91 86882 84957

evointeriorconcepts@gmail.com

Please be aware

Volaris installation services are chargeable. All coordination and payment for these services should be managed by you, directly with Volaris or their authorized partners according to their guidelines.
