Important

Home Automation:

Keus will handle the integration of the lock and addition into the Keus automation system only once Yale has completed the installation and confirmed its full operation.

Sale and Installation:

The Chosen Yale Lock needs to be mandatorily purchased from Keus to ensure Firmware Compatibility of the Lock with Home Automation Protocols. Installation, Warranty and Support for the Lock will be handled as per the Standard Yale Processes.

To schedule an installation: Please contact Yale directly at

 1800-103-5606

 8929-788-788

 Customercare1.india@assaabloy.com

Please be aware

Yale installation services are chargeable.

All coordination and payment for these services should be managed by you, directly with Yale or their authorized partners according to their guidelines.
